OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 19 September 1967

25X1 1. [] Met with Representative Melvin Price (D., Ill.) in the House cloak room and discussed with him the President's twentieth anniversary letter to the Agency. Mr. Price indicated that he would like to put the letter in the RECORD and noted that he was a member of the Armed Services Committee when the Agency was created by the National Security Act of 1947.

25X1 2. [] The Director, accompanied by Colonel White, Mr. Warner and [] met with the CIA Subcommittee of House Appropriations for approximately an hour and a half, to discuss certain budget aspects, certain Agency activities and an intelligence briefing. See Memo for the Record for details. 25X1

25X1 3. [] Talked with James Kendall, of the Senate Preparedness Investigating Subcommittee staff, about his earlier request for a staff briefing to update them on various foreign military programs. I explained that we were in the process of reworking many of these estimates and it would not be fruitful to do a briefing at this time. Hopefully, this process would be complete in three or four weeks and we could get into it at that time. Kendall said he understood our problem and indicated a desire for a briefing just as soon as possible under the circumstances.

25X1 4. [] Talked with John Reddan, Special Counsel, House Armed Services Subcommittee on Special Investigations which is chaired by Representative Porter Hardy. I indicated we wanted to be as helpful as possible and that we wished to bring down a substantive officer who could go over the scope and detail desired for the Agency briefing. We discussed clearance levels, handling of transcripts and other procedural matters. Arrangements were made for Dr. Proctor and myself to meet with Mr. Reddan tomorrow at 2:30.
